

Denver Union Station Construction Update 3-4-10

Traffic and Pedestrian Configuration -

- Traffic will be redirected on Wewatta St. between 16th St. and 19th St. to one lane in each direction beginning **March 5, 2010**. RTD bus stops will be relocated to accommodate the changed traffic pattern. Traffic will remain in this configuration for a couple of years. There will be signage to direct traffic and bus patrons.
- Pedestrians going from the Millennium Bridge to Wewatta along 16th St. will be directed to the south side starting March 12th; the sidewalk on the north side will be closed.

Other activities over the next 2 weeks will include:

- Barrier will be placed along Wewatta St. to protect the traveling public
- Removal of light poles on the west side of Wewatta St.
- Relocate construction fencing to curb line along 16th St. from the Millennium Bridge through Wewatta St.
- Concrete removal on the west side of Wewatta St.
- Pumping of ground water and bus facility excavation will begin mid-March
- Shoring wall at the LRT will continue
- Relocation of Wewatta St. utilities
